*Founded in 2017, livintwist has already taken part in many major design festivals, becoming a featured seller.*

*Design is a creative  
process where  
emotions collide  
with the rational  
thought.*

*In a good project  
people fall  
in love with  
such a beautiful  
balance.*

## *We are defined by innovation*

*Livintwist is founded on creativity and originality. This is our DNA.*

*We thrive on new ideas.*

*We strive for new experiences. Our signature collection redefines the paradigm for furniture design, combining a breakthrough silicon roping material, which we developed together with our Laboratory partner, with new and innovative weaving and construction techniques to create a stunning ensemble of pieces that offers a symphony of tactile experiences, while delivering unprecedented durability and ease of use.*

## *We are inspired by our customers*

*Livintwist seeks to empower our customers to pursue their hopes and dreams.*

*We want to be part of their unique journey, their personal adventure, their raison d'être.*

*We look to inspire our customers to live, to explore, to realise their full potential, and in return.*

*We are inspired by their passion, their spirit, their joy.*

## *We are driven by sustainability*

*Livintwist has a long term strategy to put sustainability at the core of our corporate ethos.*

*We have already started our new project by implementing the circle economy into our development and production process.*

*We are embarking on a journey to not only use recyclable materials but also investing and experimenting with technology that can leverage recycled sources.*

*We are a small company but we are striving to make a BIG difference when it comes to our planet.*

# GEMSTONE

Solid and round, heavy and light, soft and hard, the Gemstone armchair combines the latest in material science with classical aesthetics. Its comfort-first design oozes sophistication and style, and anchors its presence in any room.

The Gemstone is a statement, in your garden or in your den. Give your living space a voice. Available in multiple colours.

Each lounge chair is one of a kind, made with a single 1000m long rope and about 100 hours of labor.

# SUNSET

It's a bed, it's a pool,  
it's a playground  
in the shape of hug.

The Sunset Daybed is designed  
for endless fun and maximum  
comfort.

Alone or with the whole family,  
the Sunset Daybed gives you  
plenty of room for relaxation,  
while surrounding you  
in warmth and security.

Built with easy to maintain,  
weather resistant materials,  
this piece also features  
a unique hand-woven pattern  
that is one of a kind.

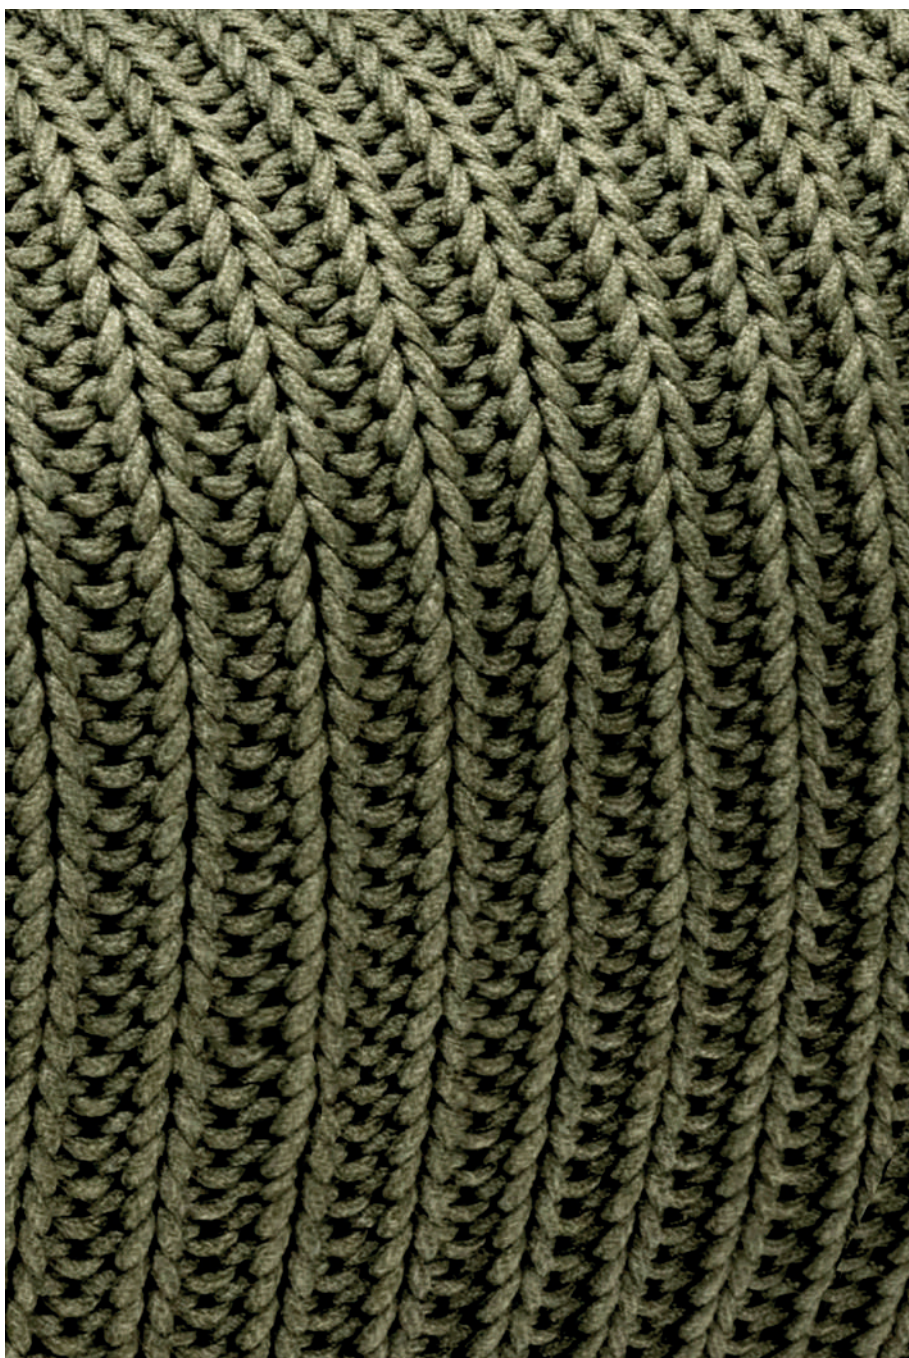

# INFINITY

Combining classic lines and innovative construction, the Infinity Lounge chair is serene and beautiful in its simplicity, yet fun and striking in intensity.

Like the rest of the collection, the Infinity Lounge chair is designed to maximise comfort while delivering easy maintenance and durability. Available in a range of colour options.

# PAC MAN

The Pacman Side Table gets its inspiration from the iconic 80's video game.

Built on a structural frame of muted colours and GRC materials, the Pacman Side Table also features a colourful table top of folded aluminium.

The deliberate contrast is a tribute to the dawn of the digital age, with its neon characters and electric dreams.

Functional and decorative, the Pacman Side Table is a bundle of fun in a small compact package.

# PENDANT

Like the perfect accessory that completes the perfect look, the Pendant Table is the ideal piece to add a little excitement to any room.

Grounded by its jewel-like base, the design of the Pendant Table also features a branch extension that serves as both an aesthetic detail and useful handle.

Available in a series of colour configurations, the Pendant Table is sure to make an impression in any surrounding.

# Powder coated Aluminum and Stainless Steel

### Cleaning and Maintenance Tips

- Clean regularly the metal part with a damp cloth with clean water, and dry it of with clean cloth.
- Do NOT use any chemical-based cleanser.
- Do NOT scratch/collide to avoid damaging the protective spray paint.

#### **Caution.**

When use in high salinity environment for a long time, please strictly follow below notice:

- Do NOT approach or wash with salt water.
- Do NOT use any acid, chloride - based cleansers or sodium hydroxide on stainless steel furniture, for example, the bathroom cleaner.
- Salt, limestone or acids (contained in coffee, wine, orange juice, tomato juice, lemon, etc) may discolor the coating if not cleaned promptly.
- Do NOT use metal brushes to clean the surface, only use a nylon material such as 3M scotch bright.
- Powder coated frame in any metallic color will gradually turn into a mixture of Grey after long period of time, because silver elements can react with air. It is not considered a quality issue .
- Clean immediately after rainy days. Generally wash no less than twice every week. Otherwise, furniture will be damaged by oxidation caused by high salt accumulation on the surface. It is a must to maintenance properly to ensure the durability of furniture.

## MAINTENANCE GUIDE

# Cushion and Pillow

## Care and Cleaning Instruction

- Collect and store cushions in a dry place immediately in the event of heavy rain and strong wind.
- All cushions must be stored in a dry, well-ventilated area to avoid mildew and bad odor and MUST put cushions inside sealed plastic bag or tightly enclosed space such as closets if wet.

### **Fabric Care & Cleaning Instruction: General or Light Cleaning**

- Simple rush of any loose dirt.
- For stains: prepare a cleaning solution of 2 ounces (1/4 cup) mild soap per gallon of lukewarm water (less than 100°F/38°C ). Use a sponge or a soft bristle brush to clean. Rinse thoroughly to remove all soap residue.
- Allow fabric to air dry after wash, do NOT subject to excessive heat as the fabric will shrink.
- Do NOT steam press or dry in Electric or Gas dryers, do NOT spin dry and do NOT dry clean.

### **Spot Cleaning**

- Apply a light mist of mild soap and water using a spray bottle.
- Work the solution into the stain by lightly scrubbing the area with a sponge or very softbristle brush.
- Rinse thoroughly to remove all soap residue
- Blot excess moisture with a clean, soft towel or sponge.
- Air dry, Repeat steps 3 and 4 until all soap residue is removed.

### **For Removable Outdoor Fabric**

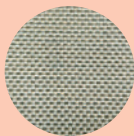

- Hand washing in cold water.
- Soak fabric in a solution of 1/4 cup soap per gallon of lukewarm water.
- Use a sponge or a soft bristle brush as necessary.
- Rinse thoroughly to remove all soap residue.
- Air dry ONLY.

### **Special Attention**

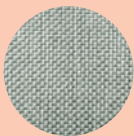

- Do NOT dry clean outdoor fabrics. Do NOT wash by machine, Hand-Wash only.
- For extended use, do NOT wash frequently. Remove/collect the cushions immediately when heavy rain and strong wind occurred.
- Keep away from fire

# Ceramic/Concrete

## Top care and Cleaning Instruction

- Wipe ceramic top periodically using a cloth or sponge dampened with water or non oil-based household cleaner. Then rinse the surface with clean water and wipe dry.
- To clean badly soiled ceramic top, apply a solution of scouring powder and very hot water. Let stand for five minutes, scrub with a stiff brush and rinse.

Soap scum, mildew stains and hard-water deposits may be removed from ceramic tile using cleaning products that are commonly available at your local supermarket or home improvement store.

With soft water, use an all-purpose, non oil-based cleaner.

Allow to stand for five minutes before lightly scrubbing with a sponge.

Rinse well.
